SCOPE AND CONTENT NOTE

TIMOTHY A. BERESNEY PAPERS

Beresney was a journalist and editor of several émigré periodicals, among them Nash put', Russkii vestnik, and Russkoe obozrenie. The collection contains correspondence relating to his editorial duties at two of these periodicals, as well as his writings on Soviet education and English and Russian-language study guides. There is also a work by his wife, Polina V. Swatikoff, on Joseph de Maistre in Russia (SUBJECT FILE).

Detailed processing and preservation microfilming for these materials were made possible by a generous grant from the National Endowment for the Humanities and by matching funds from the Hoover Institution and Museum of Russian Culture. The grant also provides depositing a microfilm copy in the Hoover Institution Archives. The original materials and copyright to them (with some exceptions) are the property of the Museum of Russian Culture, San Francisco. A transfer table indicating corresponding box and reel numbers is appended to this register.

The Hoover Institution assumes all responsibility for notifying users that they must comply with the copyright law of the United States (Title 17 United States Code) and Hoover Rules for the Use and Reproduction of Archival Materials.
