SCOPE AND CONTENT NOTE

SERGEI STEPANOVICH CHAZOV PAPERS

S. S. Chazov was a playwright and editor of the San Francisco newspaper Ruskaia zhizn' in the mid-1950s. The papers contain primarily his plays, as well as rolls of Russian Russians evacuated from China, sent to him as newspaper editor by the World Council of Churches. These rolls are located in the Russian refugees file.

Detailed processing and preservation microfilming for these materials were made possible by a generous grant from the National Endowment for the Humanities and by matching funds from the Hoover Institution and Museum of Russian Culture. The grant also provides depositing a microfilm copy in the Hoover Institution Archives. The original materials and copyright to them (with some exceptions) are the property of the Museum of Russian Culture, San Francisco. A transfer table indicating corresponding box and reel numbers is appended to this register.

The Hoover Institution assumes all responsibility for notifying users that they must comply with the copyright law of the United States (Title 17 United States Code) and Hoover Rules for the Use and Reproduction of Archival Materials.
