SCOPE AND CONTENT NOTE

IURIIL'ICH LODYZHENSKII PAPERS

The materials in this collection relate mainly to the activities of the director of the Geneva office of the Russian Red Cross (Rossiiskoe Obshchestvo Krasnogo Kresta), Iurii Il'ich Lodyzhenskii, in the resettlement of Russian refugees and troops of General P. N. Vrangeli's Russian army in the Balkans, 1921-1923.

Also of interest is the file on the defense of Konradi and Polunin, on trial for the assassination of the Soviet ambassador to Switzerland, V. V. Vorovskii, 1923.

Detailed processing and preservation microfilming for these materials were made possible by a generous grant from the National Endowment for the Humanities and by matching funds from the Hoover Institution and Museum of Russian Culture. The grant also provides depositing a microfilm copy in the Hoover Institution Archives. The original materials and copyright to them (with some exceptions) are the property of the Museum of Russian Culture, San Francisco. A transfer table indicating corresponding box and reel numbers is appended to this register.

The Hoover Institution assumes all responsibility for notifying users that they must comply with the copyright law of the United States (Title 17 United States Code) and Hoover Rules for the Use and Reproduction of Archival Materials.
