SCOPE AND CONTENT NOTE

ELIZABETH MALOZEMOFF PAPERS

The most significant materials in this collection are contained in the correspondence file, particularly the correspondence with émigré Russian writers such as Nina Fedorova (Riasanovsky) and Nikolai Narokov. Writings by and clippings about two prominent émigrés, Anna Mazurova and Sergei Gornyi, have been placed in the subject file under their names.

Detailed processing and preservation microfilming for these materials were made possible by a generous grant from the National Endowment for the Humanities and by matching funds from the Hoover Institution and Museum of Russian Culture. The grant also provides depositing a microfilm copy in the Hoover Institution Archives. The original materials and copyright to them (with some exceptions) are the property of the Museum of Russian Culture, San Francisco. A transfer table indicating corresponding box and reel numbers is appended to this register.

The Hoover Institution assumes all responsibility for notifying users that they must comply with the copyright law of the United States (Title 17 United States Code) and Hoover Rules for the Use and Reproduction of Archival Materials.
