SCOPE AND CONTENT NOTE

KONSTANTIN VASIL'EVICH SEMCHEVSKII PAPERS

K. V. Semchevskii was a Russian army colonel and member of the association of graduates of the Corps de Pages and former officers of the Guards Horse Artillery. Most of the correspondence (almost entirely with former comrades-in-arms), writings, and subject file reflect his involvement in these organizations and general information on Russian military history. The SUBJECT FILE/Russia. Armia/General contains the diary of Gen. Bezobrazov for 1917-1924.

Detailed processing and preservation microfilming for these materials were made possible by a generous grant from the National Endowment for the Humanities and by matching funds from the Hoover Institution and Museum of Russian Culture. The grant also provides depositing a microfilm copy in the Hoover Institution Archives. The original materials and copyright to them (with some exceptions) are the property of the Museum of Russian Culture, San Francisco. A transfer table indicating corresponding box and reel numbers is appended to this register.

The Hoover Institution assumes all responsibility for notifying users that they must comply with the copyright law of the United States (Title 17 United States Code) and Hoover Rules for the Use and Reproduction of Archival Materials.
