SCOPE AND CONTENT NOTE

TIMOFEI FEDOTOVICH TOKAREV PAPERS

Timofei Fedotovitch Tokarev was a treasurer and vice-president of numerous Russian émigré organizations in San Francisco, including the Museum of Russian Culture, Russian Center, the Ob"edinennyi komitet russkikh natsional'nykh organizatsii v g. San Frantsisko (Consolidated Committee of the Russian National Organizations of San Francisco), the Russian Benevolent Trust Fund in Memory of V. P. and M. P. Anitchkoff, and Russkii Dom Sviatogo Vladimira. This collection consists mainly of material related to his work in these organizations. It is not clear how the papers of the Sedykh family and Fedor Semenov have found their way into this collection.

Detailed processing and preservation microfilming for these materials were made possible by a generous grant from the National Endowment for the Humanities and by matching funds from the Hoover Institution and Museum of Russian Culture. The grant also provides depositing a microfilm copy in the Hoover Institution Archives. The original materials and copyright to them (with some exceptions) are the property of the Museum of Russian Culture, San Francisco. A transfer table indicating corresponding box and reel numbers is appended to this register.

The Hoover Institution assumes all responsibility for notifying users that they must comply with the copyright law of the United States (Title 17 United States Code) and Hoover Rules for the Use and Reproduction of Archival Materials.
