SCOPE AND CONTENT NOTE

KONSTANTIN P. BARSKII PAPERS

The papers in this collection reflect Barskii's activities as a leading member and activist in two émigré Russian organizations, 1949-1969. They detail the structure, goals and activities of these organizations, which were primarily involved in anti-Communist propaganda activities.

Detailed processing and preservation microfilming for these materials were made possible by a generous grant from the National Endowment for the Humanities and by matching funds from the Hoover Institution and Museum of Russian Culture. The grant also provides depositing a microfilm copy in the Hoover Institution Archives. The original materials and copyright to them (with some exceptions) are the property of the Museum of Russian Culture, San Francisco. A transfer table indicating corresponding box and reel numbers is appended to this register.

The Hoover Institution assumes all responsibility for notifying users that they must comply with the copyright law of the United States (Title 17 United States Code) and Hoover Rules for the Use and Reproduction of Archival Materials.
