## SCOPE AND CONTENT NOTE

### DELOVAIA KOMISSIIA POMOSHCHI RUSSKIM (TUBABAO) RECORDS

This collection consists of the records of the Delovaia Komissia Pomoshchi Russkim (Tubabao), that was originally called Delovaia Komissia Pomoshchi Tubabaovtsam pri Russko-Americanском Soiuze Pomoshchi i Zashchity Russikih vne SSSR, an organization whose primary purpose was to assist in the emigration to the United States of Russian refugees who were evacuated from Shanghai to Tubabao camp in the Philippines in 1949. The records include a large number of photographs and negatives depicting daily life in the Tubabao camp, as well as issues of newspapers published by displaced persons in the camp.

Detailed processing and preservation microfilming for these materials were made possible by a generous grant from the National Endowment for the Humanities and by matching funds from the Hoover Institution and Museum of Russian Culture. The grant also provides depositing a microfilm copy in the Hoover Institution Archives. The original materials and copyright to them (with some exceptions) are the property of the Museum of Russian Culture, San Francisco. A transfer table indicating corresponding box and reel numbers is appended to this register.

The Hoover Institution assumes all responsibility for notifying users that they must comply with the copyright law of the United States (Title 17 United States Code) and Hoover Rules for the Use and Reproduction of Archival Materials.
