SCOPE AND CONTENT NOTE

MSTISLAV NIKOLAEVICH IVANITSKII COLLECTION

The Ivanitskii collection contains materials relating primarily to the Russian Civil War in the Far East and émigré military writings. Of particular interest are the memoirs of S. I. Ver relating to his experiences in the First World War, entitled "Iz vospominanii o voine."

Detailed processing and preservation microfilming for these materials were made possible by a generous grant from the National Endowment for the Humanities and by matching funds from the Hoover Institution and Museum of Russian Culture. The grant also provides depositing a microfilm copy in the Hoover Institution Archives. The original materials and copyright to them (with some exceptions) are the property of the Museum of Russian Culture, San Francisco. A transfer table indicating corresponding box and reel numbers is appended to this register.

The Hoover Institution assumes all responsibility for notifying users that they must comply with the copyright law of the United States (Title 17 United States Code) and Hoover Rules for the Use and Reproduction of Archival Materials.
