SCOPE AND CONTENT NOTE

OBSHCHESTUDENCHESKII RUSSKII
KHOR IMENI A. A. ARKHANGEL'SKOGO RECORDS

This collection consists mainly of correspondence and printed matter relating to the activities of the A. A. Arkhangel'skii Russian Student Choir in Prague in the 1920s. Most of the correspondence is in the form of congratulations and invitations, some from well-known figures in Czechoslovakia, such as Alice Masaryk. The scrapbook contains a history of the choir and biographical information on Arkhangel'skii and successive conductors.

Detailed processing and preservation microfilming for these materials were made possible by a generous grant from the National Endowment for the Humanities and by matching funds from the Hoover Institution and Museum of Russian Culture. The grant also provides depositing a microfilm copy in the Hoover Institution Archives. The original materials and copyright to them (with some exceptions) are the property of the Museum of Russian Culture, San Francisco. A transfer table indicating corresponding box and reel numbers is appended to this register.

The Hoover Institution assumes all responsibility for notifying users that they must comply with the copyright law of the United States (Title 17 United States Code) and Hoover Rules for the Use and Reproduction of Archival Materials.
