SCOPE AND CONTENT NOTE

PETR ARKAD'EVICH STOLYPIN SUBJECT COLLECTION

This collection consists of clippings, correspondence and other biographical material collected by the staff of the Museum of Russian Culture relating to the life and career of P. A. Stolypin, as well as to his family. The correspondence is between the director of the Museum, P. F. Konstantinov, and Stolypin's son, Arkadii.

Detailed processing and preservation microfilming for these materials were made possible by a generous grant from the National Endowment for the Humanities and by matching funds from the Hoover Institution and Museum of Russian Culture. The grant also provides depositing a microfilm copy in the Hoover Institution Archives. The original materials and copyright to them (with some exceptions) are the property of the Museum of Russian Culture, San Francisco. A transfer table indicating corresponding box and reel numbers is appended to this register.

The Hoover Institution assumes all responsibility for notifying users that they must comply with the copyright law of the United States (Title 17 United States Code) and Hoover Rules for the Use and Reproduction of Archival Materials.
